Item 1.01. Entry into a Material Definitive Agreement.

On August 13, 2009, Graphic Packaging International, Inc. (“GPII”), a wholly-owned subsidiary of Graphic Packaging Holding Company (the “Company”), together with the Company, Graphic Packaging Corporation and certain subsidiaries of GPII, entered into a purchase agreement (the “Purchase Agreement”) with Banc of America Securities LLC, as the initial purchaser (the “Initial Purchaser”). Pursuant to the Purchase Agreement, GPII agreed to sell \$180.0 million aggregate principal amount of 9.50% Senior Notes due 2017 (the “Senior Notes”) to the Initial Purchaser in a private placement in reliance on Rule 144A and Regulation S under the Securities Act of 1933, as amended, at a price to investors of 103.0% of the principal amount of the Senior Notes, giving the Senior Notes an effective yield to maturity of 8.95%. The closing for the sale of the Senior Notes is subject to customary conditions and is expected to occur on or about August 20, 2009. The Purchase Agreement contains customary representations and warranties of the parties and indemnification and contribution provisions whereby GPII, on the one hand, and the Initial Purchaser, on the other hand, have agreed to indemnify each other against certain liabilities and will contribute to payments the other party may be required to make in respect thereof.

The foregoing description of the Purchase Agreement is not complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference into this Item 1.01.

Item 2.04. Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement.

The proceeds from the offering of the Senior Notes will be used to redeem the remaining approximately \$180.0 million aggregate principal amount of GPII’s 8.50% senior notes due 2011, to pay accrued and unpaid interest on the 2011 notes and to pay fees and expenses incurred in connection with the offering and the redemption. On August 13, 2009, GPII announced that it had delivered notice to U.S. Bank National Association, the indenture trustee of the 2011 notes, of its election to redeem the remaining outstanding balance of the 2011 notes at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest to, but not including, the redemption date (the “Redemption Price”). Under the terms of the indenture, the notes are redeemable at par at GPII’s option beginning August 15, 2009. The notes will be redeemed in accordance with their terms and GPII expects the redemption to occur on or about September 13, 2009 (the “Redemption Date”). On the Redemption Date, the Redemption Price will become due and payable, and interest on the 2011 notes will cease to accrue. Following this redemption and the redemption of approximately \$20.0 million aggregate principal amount of the 2011 notes previously announced on August 4, 2009, all of GPII’s 2011 notes will have been paid in full. For additional information, please see a copy of the press release announcing the redemption of the 2011 notes filed as Exhibit 99.2 to this Current Report on Form 8-K and incorporated by reference into this Item 2.04.

Item 8.01. Other Events.

On August 13, 2009, GPII issued press releases announcing the offering of the Senior Notes, the entry into the above referenced Purchase Agreement and announcing that it has provided notice to U.S. Bank National Association, the indenture trustee for its 8.50% senior notes due 2011, of its election to redeem all of its remaining outstanding 2011 notes. Copies of the press releases are attached hereto as Exhibits 99.1 and 99.2 to this Current Report on Form 8-K and are incorporated herein by reference.

Banc of America Securities LLC
One Bryant Park
New York, New York 10036
Ladies and Gentlemen:

Introductory. Graphic Packaging International, Inc., a Delaware corporation (the “Company”) and as an indirect wholly-owned subsidiary of Graphic Packaging Holding Company (“Parent”), proposes to issue and sell to Banc of America Securities LLC (the “Initial Purchaser”) \$180,000,000 aggregate principal amount of the Company’s 9.50% Senior Notes due 2017 (the “Notes”).

The Securities (as defined below) will be issued pursuant to an indenture, dated as of June 16, 2009 (the “Base Indenture”), among the Company, Parent, Graphic Packaging Corporation, a direct wholly-owned subsidiary of Parent (“GPC” and, together with Parent, the “Parent Guarantors”), the Subsidiary Guarantors (as defined below) and U.S. Bank National Association, as trustee (the “Trustee”), as supplemented by a supplemental indenture to be dated as of August 20, 2009 (the “Supplemental Indenture” and collectively with the Base Indenture, the “Indenture”), among the Company, the Parent Guarantors, the Subsidiary Guarantors and the Trustee, relating to the issuance of the Notes. Notes will be initially issued only in book-entry form in the name of Cede & Co., as nominee of The Depository Trust Company (the “Depository”) pursuant to a letter of representations, to be dated on or before the Closing Date (as defined in Section 2 hereof) (the “DTC Agreement”), among the Company, the Guarantors, the Trustee and the Depository.

The Company has previously issued \$245,000,000 in aggregate principal amount of its 9.50% Senior Notes due 2017 under the Indenture (the “Existing Notes”). The Notes constitute an additional issuance of notes under the Indenture. Except as otherwise described in the Pricing Disclosure Package (as defined below), the Notes will have identical terms to the Existing Notes and will be treated as a single class of notes for all purposes under the Indenture.

The holders of the Notes will be entitled to the benefits of a registration rights agreement, to be dated as of August 20, 2009 (the “Registration Rights Agreement”), among the Company, the Guarantors and the Initial Purchaser, pursuant to which the Company and the Guarantors have agreed to file with the Commission (as defined below), under the circumstances set forth therein (i) a registration statement under the Securities Act (as defined below) relating to another series of debt securities of the Company with terms substantially identical to the Notes (the “Exchange Notes”) to be offered in exchange for the Notes other than restrictions on transfer (the “Exchange Offer”) and (ii) a shelf registration statement pursuant to Rule 415 of the Securities Act relating to the resale by certain holders of the Notes, and in each case, to use its reasonable best efforts to cause such registration statements to be declared effective.

The payment of principal, premium and interest will be fully and unconditionally guaranteed on a senior unsecured basis, jointly and severally by (i) Parent Guarantors, (ii) the Subsidiary Guarantors listed on Schedule A hereto and (iii) any subsidiary of the Company formed or acquired after the Closing Date that executes an additional guarantee in accordance with the terms of the Indenture, and their respective successors and assigns (the entities described in clauses (ii) and (iii), collectively, the "Subsidiary Guarantors") and, together with Parent Guarantors, the "Guarantors"), pursuant to their guarantees (collectively the "Guarantees"). The Notes and the Guarantees attached thereto are herein collectively referred to as the "Securities"; and the Exchange Notes and the Guarantees, if any, attached thereto are herein collectively referred to as the "Exchange Securities."

The Company understands that the Initial Purchaser proposes to make an offering of the Securities on the terms and in the manner set forth herein and in the Pricing Disclosure Package (as defined below) and agrees that the Initial Purchaser may resell, subject to the conditions set forth herein, all or a portion of the Securities to purchasers (the "Subsequent Purchasers") on the terms set forth in the Pricing Disclosure Package (the first time when sales of the Securities are made is referred to as the "Time of Sale"). The Securities are to be offered and sold to or through the Initial Purchaser without being registered with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933 (as amended, the "Securities Act," which term, as used herein, includes the rules and regulations of the Commission promulgated thereunder), in reliance upon exemptions therefrom. Pursuant to the terms of the Securities and the Indenture, investors who acquire Securities shall be deemed to have agreed that Securities may only be resold or otherwise transferred after the date hereof if such Securities are registered for sale under the Securities Act or if an exemption from the registration requirements of the Securities Act is available (including the exemptions afforded by Rule 144A under the Securities Act ("Rule 144A") or Regulation S under the Securities Act ("Regulation S").

The Company has prepared and delivered to the Initial Purchaser copies of a Preliminary Offering Memorandum, dated August 13, 2009, (the "Preliminary Offering Memorandum"), and has prepared and delivered to the Initial Purchaser copies of a Pricing Supplement, dated August 13, 2009 (the "Pricing Supplement"), describing the terms of the Securities, each for use by the Initial Purchaser in connection with its solicitation of offers to purchase the Securities. The Preliminary Offering Memorandum and the Pricing Supplement and any Company Additional Written Communications used in accordance with Section 3(a) (other than an "electronic road show") are herein referred to as the "Pricing Disclosure Package." Promptly after this Agreement is executed and delivered, the Company will prepare and deliver to the Initial Purchaser a final offering memorandum dated the date hereof (the "Final Offering Memorandum").

All references herein to the terms "Pricing Disclosure Package" and "Final Offering Memorandum" shall be deemed to mean and include all information filed under the Securities Exchange Act of 1934 (as amended, the "Exchange Act," which term, as used herein, includes the rules and regulations of the Commission promulgated thereunder) prior to the Time of Sale and incorporated by reference in the Pricing Disclosure Package (including the Preliminary Offering Memorandum) or the Final Offering Memorandum (as the case may be), and all references herein to the terms "amend," "amendment" or "supplement" with respect to the Final Offering

Memorandum shall be deemed to refer to and include all information filed under the Exchange Act after the Time of Sale and incorporated by reference in the Final Offering Memorandum.

The Company hereby confirms its agreements with the Initial Purchaser as follows:

SECTION 1. *Representations and Warranties.* Each of the Company and the Guarantors, jointly and severally, hereby represents, warrants and covenants to the Initial Purchaser that, as of the date hereof and as of the Closing Date (references in this Section 1 to the "Offering Memorandum" are to (x) the Pricing Disclosure Package in the case of representations and warranties made as of the date hereof and (y) the Pricing Disclosure Package and the Final Offering Memorandum in the case of representations and warranties made as of the Closing Date):

(a) *No Registration Required.* Subject to compliance by the Initial Purchaser with the representations and warranties set forth in Section 2 hereof and with the procedures set forth in Section 7 hereof, it is not necessary in connection with the offer, sale and delivery of the Securities to the Initial Purchaser and to each Subsequent Purchaser in the manner contemplated by this Agreement and the Offering Memorandum to register the Securities under the Securities Act or, until such time as the Exchange Securities are issued pursuant to an effective registration statement, to qualify the Indenture under the Trust Indenture Act of 1939 (the "Trust Indenture Act," which term, as used herein, includes the rules and regulations of the Commission promulgated thereunder).

(b) *No Integration of Offerings or General Solicitation.* None of the Company, its affiliates (as such term is defined in Rule 501 under the Securities Act) (each, an "Affiliate"), or any person acting on its or any of their behalf (other than the Initial Purchaser, as to whom the Company makes no representation or warranty) has, directly or indirectly, solicited any offer to buy or offered to sell, or will, directly or indirectly, solicit any offer to buy or offer to sell, in the United States or to any United States citizen or resident, any security which is or would be integrated with the sale of the Securities in a manner that would require the Securities to be registered under the Securities Act. None of the Company, its Affiliates, or any person acting on its or any of their behalf (other than the Initial Purchaser, as to whom the Company makes no representation or warranty) has engaged or will engage, in connection with the offering of the Securities, in any form of general solicitation or general advertising within the meaning of Rule 502 under the Securities Act. With respect to those Securities sold in reliance upon Regulation S, (i) none of the Company, its Affiliates or any person acting on its or their behalf (other than the Initial Purchaser, as to whom the Company makes no representation or warranty) has engaged or will engage in any directed selling efforts within the meaning of Regulation S and (ii) each of the Company and its Affiliates and any person acting on its or their behalf (other than the Initial Purchaser, as to whom the Company makes no representation or warranty) has complied and will comply with the offering restrictions set forth in Regulation S.

(c) *Eligibility for Resale under Rule 144A.* The Securities are eligible for resale pursuant to Rule 144A and will not be, at the Closing Date, of the same class as securities listed on a national securities exchange registered under Section 6 of the Exchange Act or quoted in a U.S. automated interdealer quotation system.

(d) *The Pricing Disclosure Package and Offering Memorandum.* Neither the Pricing Disclosure Package (as amended or supplemented in accordance with Section 3(a), as applicable), as of the Time of Sale, nor the Final Offering Memorandum, as of its date or (as amended or supplemented in accordance with Section 3(a), as applicable) as of the Closing Date, contains an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that this representation, warranty and agreement shall not apply to statements in or omissions from the Pricing Disclosure Package, the Final Offering Memorandum or any amendment or supplement thereto made or omitted in reliance upon and in conformity with information furnished to the Company in writing by the Initial Purchaser expressly for use in the Pricing Disclosure Package, the Final Offering Memorandum or amendment or supplement thereto, as the case may be. The Pricing Disclosure Package contains, and the Final Offering Memorandum will contain, all the information specified in, and meeting the requirements of, Rule 144A. The Company has not distributed and will not distribute, prior to the later of the Closing Date and the completion of the Initial Purchaser's distribution of the Securities, any offering material in connection with the offering and sale of the Securities other than the Pricing Disclosure Package and the Final Offering Memorandum.

(e) *Company Additional Written Communications.* The Company has not prepared, made, used, authorized, approved or distributed and will not prepare, make, use, authorize, approve or distribute any written communication that constitutes an offer to sell or solicitation of an offer to buy the Securities (each such communication by the Company or its agents and representatives (other than a communication referred to in clauses (i) and (ii) below) a "Company Additional Written Communication") other than (i) the Pricing Disclosure Package, (ii) the Final Offering Memorandum, and (iii) any electronic road show or other written communications, in each case used in accordance with Section 3(a). Each such Company Additional Written Communication, when taken together with the Pricing Disclosure Package, did not, and at the Closing Date will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that this representation, warranty and agreement shall not apply to statements in or omissions from each such Company Additional Written Communication made in reliance upon and in conformity with information furnished to the Company in writing by the Initial Purchaser expressly for use in any Company Additional Written Communication.

(f) *Incorporated Documents.* The documents incorporated or deemed to be incorporated by reference in the Offering Memorandum at the time they were or hereafter are filed with the Commission (collectively, the "Incorporated Documents") complied and will comply in all material respects with the requirements of the Exchange Act.

(g) *The Purchase Agreement.* This Agreement has been duly authorized, executed and delivered by, and is a valid and binding agreement of, each of the Company and the Guarantors, enforceable in accordance with its terms, except as rights to indemnification and contribution hereunder may be limited by applicable law and public policy considerations and except as the enforcement hereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting the rights and remedies of creditors or by general

Each of the Company and each subsidiary is duly qualified as a foreign corporation or partnership to transact business and is in good standing or equivalent status in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except for such jurisdictions where the failure to so qualify or to be in good standing would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change. All of the issued and outstanding capital stock of each subsidiary has been duly authorized and validly issued, is fully paid and nonassessable and is owned by the Company, directly or through subsidiaries, free and clear of any material security interest, mortgage, pledge, lien, encumbrance or claim, except for liens and encumbrances pursuant to the Credit Agreement (as defined below).

The Company's execution, delivery and performance of this Agreement, the Registration Rights Agreement, the DTC Agreement and the Supplemental Indenture, and the issuance and delivery of the Securities or the Exchange Securities, and consummation of the transactions contemplated hereby and thereby and by the Offering Memorandum (i) will have been duly authorized by all necessary corporate action and will not result in any violation of the provisions of the charter or bylaws of the Company or any subsidiary, (ii) will not conflict with or constitute a breach of, or Default or a Debt Repayment Triggering Event (as defined below) under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any of its subsidiaries pursuant to, or require the consent of any other party to, any Existing Instrument, except for such conflicts, breaches, Defaults, liens, charges or encumbrances as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change and (iii) will not result in any violation of any law, administrative regulation or administrative or court decree applicable to the Company or any subsidiary, with respect to clauses (ii) and (iii) only, except as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change. Assuming the accuracy of the representations and warranties of the Initial Purchaser set forth in Section 3(d), no consent, approval, authorization or other order of, or registration or filing with, any court or other governmental or regulatory authority or agency, is required for the Company's execution, delivery and performance of this Agreement, the Registration Rights Agreement, the DTC Agreement or the Indenture, or the issuance and delivery of the Securities or the Exchange Securities, or consummation of the transactions contemplated hereby and thereby and by the Offering Memorandum, except such as have been obtained or made by the Company and are in full force and effect under the Securities Act, applicable securities laws of the several states of the United States or provinces of Canada and except such as may be required by the Securities Act, the securities laws of the several states of the United States or provinces of Canada with respect to the Company's obligations under the Registration Rights Agreement. As used herein, a "Debt Repayment Triggering Event" means any event or condition which gives, or with the giving of notice or lapse of time would give, the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of its subsidiaries.

(r) *No Material Actions or Proceedings.* Except as otherwise disclosed in the Offering Memorandum, there are no legal or governmental actions, suits or proceedings pending or, to the Company's knowledge, threatened (i) against or affecting the Company or any of its subsidiaries or (ii) which has as the subject thereof any property owned or leased by, the Company or any of its subsidiaries and in each case, any such action, suit or proceeding, if determined adversely to the Company or such subsidiary, would reasonably be expected to result in a Material Adverse Change or adversely affect the consummation of the transactions contemplated by this Agreement. No material labor dispute with the employees of the Company or any of its

subsidiaries, or, to the knowledge of the Company, with the employees of any principal supplier of the Company, exists or, to the Company's knowledge, is threatened or imminent, except as would not reasonably be expected to result in a Material Adverse Change.

(s) *Intellectual Property Rights.* The Company and its subsidiaries own or possess sufficient trademarks, trade names, patent rights, copyrights, licenses, approvals, trade secrets and other similar rights (collectively, "Intellectual Property Rights") reasonably necessary to conduct their businesses in the manner described in the Offering Memorandum, except where the failure to own, or possess adequate licenses or other Intellectual Property Rights, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Change; and the expected expiration of any of such Intellectual Property Rights would not reasonably be expected to result in a Material Adverse Change. Neither the Company nor any of its subsidiaries has received any notice of infringement or conflict with asserted Intellectual Property Rights of others, which infringement or conflict, if the subject of an unfavorable decision, would reasonably be expected to result in a Material Adverse Change.

(t) *All Necessary Permits, etc.* The Company and each subsidiary possess such valid and current certificates, authorizations or permits issued by the appropriate state, federal or foreign regulatory agencies or bodies necessary to conduct their respective businesses in the manner described in the Offering Memorandum, except where the failure to possess such certificates, authorizations or permits would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change, and neither the Company nor any subsidiary has received any notice of proceedings relating to the revocation or modification of, or non-compliance with, any such certificate, authorization or permit which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would reasonably be expected to have a Material Adverse Change.

(u) *Title to Properties.* The Company and each of its subsidiaries have good title in fee simple to, or have valid right to lease or otherwise use, all items of real and personal property which are material to their respective businesses, in each case free and clear of any security interests, mortgages, liens, encumbrances, equities, claims and other title defects, except such as do not materially and adversely affect the value of such property and do not materially interfere with the use made or proposed to be made of such property by the Company or such subsidiary or those created pursuant to the Credit Agreement.

(v) *Tax Law Compliance.* The Company and its subsidiaries have filed all necessary federal, state and foreign income and franchise tax returns or have properly requested extensions thereof and have paid all taxes required to be paid by any of them and, if due and payable, any related or similar assessment, fine or penalty levied against any of them other than those taxes and other charges with respect to which the failure to pay, in the aggregate, would not reasonably be expected to have a Material Adverse Change and except for those being contested in good faith and by appropriate proceedings diligently conducted. The Company has made adequate charges, accruals and reserves in the applicable financial statements referred to in Section 1(n) hereof in respect of all federal, state and foreign income and franchise taxes for all periods as to which the tax liability of the Company or any of its subsidiaries has not been finally determined.

(w) *Company Not an "Investment Company"*. The Company has been advised of the rules and requirements under the Investment Company Act of 1940, as amended (the "Investment Company Act," which term, as used herein, includes the rules and regulations of the Commission promulgated thereunder). Neither the Company nor any of the Guarantors is, and after receipt of payment for the Securities will be, an "investment company" within the meaning of Investment Company Act.

(x) *Insurance*. Each of the Company and its subsidiaries are insured by recognized institutions with policies in such amounts and with such deductibles and covering such risks as in their reasonable determination is adequate and customary for their businesses including, without limitation, policies covering real and personal property owned or leased by the Company and its subsidiaries against theft, damage, destruction, acts of vandalism and earthquakes, except where the failure to carry such insurance would not reasonably be expected to have a Material Adverse Change. The Company has no reason to believe that it or any subsidiary will not be able (i) to renew its existing insurance coverage as and when such policies expire or (ii) to obtain comparable coverage from similar institutions as may be necessary or appropriate to conduct its business as now conducted and at a cost that would not result in a Material Adverse Change. Neither of the Company nor any subsidiary has been denied any insurance coverage which it has sought or for which it has applied.

(y) *No Price Stabilization or Manipulation*. None of the Company or any of the Guarantors has taken or will take, directly or through any person acting on its or their behalf (other than the Initial Purchaser, as to which no representation is made), any action designed to or that might be reasonably expected to cause or result in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(z) *Solvency*. Each of the Company and the Guarantors is, and immediately after the Closing Date will be, Solvent. As used herein, the term "Solvent" means, with respect to any person on a particular date, that on such date (i) the fair market value of the assets of such person is greater than the total amount of liabilities (including contingent liabilities) of such person, (ii) the present fair salable value of the assets of such person is greater than the amount that will be required to pay the probable liabilities of such person on its debts as they become absolute and matured, (iii) such person is able to realize upon its assets and pay its debts and other liabilities, including contingent obligations, as they mature and (iv) such person does not have unreasonably small capital.

(aa) *Compliance with Sarbanes-Oxley*. Parent and its subsidiaries and their respective officers and directors are in compliance with the applicable provisions of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act," which term, as used herein, includes the rules and regulations of the Commission promulgated thereunder).

(bb) *Company's Accounting System*. Parent and its subsidiaries maintain a system of accounting controls that is sufficient to provide reasonable assurances that: (i) transactions are executed in accordance with management's general or specific authorization; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles as applied in the United States and to maintain accountability for assets; (iii) access to assets is permitted only in accordance with management's general or

specific authorization; and (iv) the recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

(cc) *Disclosure Controls and Procedures.* Parent has established and maintains disclosure controls and procedures (as such term is defined in Rules 13a-15 and 15d-14 under the Exchange Act); such disclosure controls and procedures are designed to ensure that material information relating to Parent and its subsidiaries is made known to the chief executive officer and chief financial officer of Parent by others within Parent or any of its subsidiaries, and such disclosure controls and procedures are reasonably effective to perform the functions for which they were established subject to the limitations of any such control system; Parent's auditors and the Audit Committee of the Board of Directors of Parent have been advised of: (i) any significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting which could adversely affect Parent's ability to record, process, summarize, and report financial data; and (ii) any fraud, whether or not material, that involves management or other employees who have a role in Parent's internal control over financial reporting; and since the date of the most recent evaluation of such disclosure controls and procedures, there have been no significant changes in internal control over financial reporting or in other factors that could significantly affect internal control over financial reporting, including any corrective actions with regard to significant deficiencies and material weaknesses.

(dd) *Regulations T, U, X.* Neither the Company nor any Guarantor nor any of their respective subsidiaries nor any agent thereof acting on their behalf has taken, and none of them will take, any action that might cause this Agreement or the issuance or sale of the Securities to violate Regulation T, Regulation U or Regulation X of the Board of Governors of the Federal Reserve System.

(ee) *Compliance with Environmental Laws.* Except as otherwise disclosed in the Offering Memorandum or as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change: (i) neither the Company nor any of its subsidiaries is in violation of any federal, state, local or foreign law or regulation relating to pollution or protection of human health or the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata) or wildlife, including, without limitation, laws and regulations relating to emissions, discharges, releases or threatened releases of chemicals, pollutants, contaminants, wastes, toxic substances, hazardous substances, petroleum and petroleum products (collectively, "Materials of Environmental Concern"), or otherwise relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Materials of Environmental Concern (collectively, "Environmental Laws"), which violation includes, without limitation, noncompliance with any permits or other governmental authorizations required for the operation of the business of the Company or its subsidiaries under applicable Environmental Laws, or noncompliance with the terms and conditions thereof, nor has the Company or any of its subsidiaries received any written communication, whether from a governmental authority, citizens group, employee or otherwise, that alleges that the Company or any of its subsidiaries is in violation of any Environmental Law; (ii) there is no claim, action or cause of action filed with a court or governmental authority, no investigation with respect to which the Company has received written notice, and no written notice by any person or entity alleging potential liability for investigatory costs, cleanup costs, governmental responses costs,

natural resources damages, property damages, personal injuries, attorneys' fees or penalties arising out of, based on or resulting from the presence, or release into the environment, of any Material of Environmental Concern at any location owned, leased or operated by the Company or any of its subsidiaries, now or in the past (collectively, "Environmental Claims"), pending or, to the Company's knowledge, threatened against the Company or any of its subsidiaries or any person or entity whose liability for any Environmental Claim the Company or any of its subsidiaries has retained or assumed either contractually or by operation of law; and (iii) to the Company's knowledge, there are no past or present actions, activities, circumstances, conditions, events or incidents, including, without limitation, the release, emission, discharge, presence or disposal of any Material of Environmental Concern, that would result in a violation of any Environmental Law or form the basis of a potential Environmental Claim against the Company or any of its subsidiaries or against any person or entity whose liability for any Environmental Claim the Company or any of its subsidiaries has retained or assumed either contractually or by operation of law.

(ff) *Periodic Review of Costs of Environmental Compliance.* In the ordinary course of its business, the Company conducts a periodic review of the effect of Environmental Laws on the business, operations and properties of the Company and its subsidiaries, in the course of which it identifies and evaluates associated costs and liabilities (including, without limitation, any capital or operating expenditures required for clean-up, closure of properties or compliance with Environmental Laws or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties). On the basis of such review and the amount of its established reserves, the Company has reasonably concluded that such associated costs and liabilities would not, individually or in the aggregate, result in a Material Adverse Change.

(gg) *ERISA Compliance.* Except as otherwise disclosed in the Offering Memorandum, the Company and its subsidiaries and any "employee benefit plan" (as defined under the Employee Retirement Income Security Act of 1974 (as amended, "ERISA," which term, as used herein, includes the regulations and published interpretations thereunder)) established or maintained by the Company, its subsidiaries or their "ERISA Affiliates" (as defined below) are in compliance in all material respects with applicable provisions of ERISA, except where the failure to so comply would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change. "ERISA Affiliate" means, with respect to the Company or a subsidiary, any member of any group of organizations described in Section 414 of the Internal Revenue Code of 1986 (as amended, the "Code," which term, as used herein, includes the regulations and published interpretations thereunder) of which the Company or such subsidiary is a member. No "reportable event" (as defined under ERISA) has occurred or is reasonably expected to occur with respect to any "employee benefit plan" established or maintained by the Company, its subsidiaries or any of their ERISA Affiliates. No "employee benefit plan" established or maintained by the Company, its subsidiaries or any of their ERISA Affiliates, if such "employee benefit plan" were terminated, would have any "amount of unfunded benefit liabilities" (as defined under ERISA). Neither the Company, its subsidiaries nor any of their ERISA Affiliates has incurred or reasonably expects to incur any liability under (i) Title IV of ERISA with respect to termination of, or withdrawal from, any "employee benefit plan" or (ii) Sections 412, 4971, 4975 or 4980B of the Code, which would individually or in the aggregate, reasonably be expected to result in a Material Adverse Change. Each "employee benefit plan" established or maintained by

the Company, its subsidiaries or any of their ERISA Affiliates that is intended to be qualified under Section 401 of the Code is so qualified and nothing has occurred, whether by action or failure to act, which would cause the loss of such qualification.

(hh) *Compliance with Labor Laws.* Except as would not, individually or in the aggregate, result in a Material Adverse Change, (i) there is (A) no unfair labor practice complaint pending or, to the Company's knowledge, threatened against the Company or any of its subsidiaries before the National Labor Relations Board, and no grievance or arbitration proceeding arising out of or under collective bargaining agreements pending, or to the Company's knowledge, threatened, against the Company or any of its subsidiaries, (B) no strike, labor dispute, slowdown or stoppage pending or, to the Company's knowledge, threatened against the Company or any of its subsidiaries and (C) no union representation question existing with respect to the employees of the Company or any of its subsidiaries and, to the Company's knowledge, no union organizing activities taking place and (ii) there has been no violation of any federal, state or local law relating to discrimination in hiring, promotion or pay of employees or of any applicable wage or hour laws.

(ii) *Related Party Transactions.* To the Company's knowledge, no relationship, direct or indirect, exists between or among any of the Company or any affiliate of the Company, on the one hand, and any director, officer, member, stockholder, customer or supplier of the Company or any affiliate of the Company, on the other hand, which is required by the Securities Act to be disclosed in Parent's Annual Report on Form 10-K which is not so disclosed in the Offering Memorandum. Except as set forth or incorporated by reference in the Offering Memorandum, there are no outstanding loans, advances (except advances for business expenses in the ordinary course of business) or guarantees of indebtedness by the Company or any affiliate of the Company to or for the benefit of any of the officers or directors of the Company or any affiliate of the Company or any of their respective family members.

(jj) *No Unlawful Contributions or Other Payments.* Neither the Company nor any of its subsidiaries nor, to the best of the Company's knowledge, any employee or agent of the Company or any subsidiary, has made any contribution or other payment to any official of, or candidate for, any federal, state or foreign office in violation of any law or of the character necessary to be disclosed in the Offering Memorandum in order to make the statements therein not misleading.

(kk) *No Conflict with Money Laundering Laws.* The operations of the Company and its subsidiaries are and have been conducted at all times in compliance with applicable financial recordkeeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the money laundering statutes of all applicable jurisdictions, the rules and regulations thereunder and any related or similar rules, regulations or guidelines issued, administered or enforced by any governmental agency (collectively, the "Money Laundering Laws"), and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company or any of its subsidiaries with respect to the Money Laundering Laws is pending or, to the knowledge of the Company, threatened.

(ll) *No Conflict with OFAC Laws.* Neither the Company nor any of its subsidiaries nor, to the knowledge of the

Company, any director, officer, agent, employee or affiliate of the Company or any of its subsidiaries is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department (“OFAC”); and the Company will not directly or indirectly use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity, for the purpose of financing the activities of any person currently subject to any U.S. sanctions administered by OFAC.

(mm) *Stock Options*. With respect to the stock options (the “Stock Options”) granted pursuant to the stock-based compensation plans of Parent (the “Parent Stock Plans”), (i) each Stock Option intended to qualify as an “incentive stock option” under Section 422 of the Code so qualifies, (ii) each grant of a Stock Option was duly authorized no later than the date on which the grant of such Stock Option was by its terms to be effective (the “Grant Date”) by all necessary corporate action, including, as applicable, approval by the board of directors of Parent (or a duly constituted and authorized committee thereof) and any required stockholder approval by the necessary number of votes or written consents, and the award agreement governing such grant (if any) was duly executed and delivered by each party thereto, (iii) each such grant was made in accordance with the terms of Parent Stock Plans, the Exchange Act and all other applicable laws and regulatory rules or requirements, including the rules of any securities exchange on which Parent securities are traded, (iv) the per share exercise price of each Stock Option was equal to the fair market value of a share of common stock on the applicable Grant Date and (v) each such grant was properly accounted for in accordance with GAAP in the financial statements (including the related notes) of the Company and disclosed in Parent’s filings with the Commission in accordance with the Exchange Act and all other applicable laws. Parent has not knowingly granted, and there is no and has been no policy or practice of the Company of granting, Stock Options prior to, or otherwise coordinate the grant of Stock Options with, the release or other public announcement of material information regarding Parent or its subsidiaries or their results of operations or prospects.

(nn) *Regulation S*. The Company, the Guarantors and their respective affiliates and all persons acting on their behalf (other than the Initial Purchaser, as to whom the Company and the Guarantors make no representation) have complied with and will comply with the offering restrictions requirements of Regulation S in connection with the offering of the Securities outside the United States and, in connection therewith, the Offering Memorandum will contain the disclosure required by Rule 902. The Securities sold in reliance on Regulation S will be represented upon issuance by a temporary global security that may not be exchanged for definitive securities until the expiration of the 40-day restricted period referred to in Rule 903 of the Securities Act and only upon certification of beneficial ownership of such Securities by non-U.S. persons or U.S. persons who purchased such Securities in transactions that were exempt from the registration requirements of the Securities Act.

(oo) *Patriot Act Acknowledgement*. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Initial Purchaser is required to obtain, verify and record information that identifies its clients, including the Company, which information may include the name and address of its clients, as well as other information that will allow the Initial Purchaser to properly identify its clients.

Any certificate signed by an officer of the Company or any Guarantor and delivered to the Initial Purchaser or to counsel for the Initial Purchaser shall be deemed to be a representation and warranty by the Company or such Guarantor to the Initial Purchaser as to the matters set forth therein.

SECTION 2. Purchase, Sale and Delivery of the Securities.

(a) *The Securities.* Each of the Company and the Guarantors agrees to issue and sell to the Initial Purchaser all of the Securities, and the Initial Purchaser agrees to purchase from the Company and the Guarantors \$180,000,000 aggregate principal amount of Securities at a purchase price of 101.455% of the principal amount thereof, plus accrued interest from June 16, 2009, payable on the Closing Date, on the basis of the representations, warranties and agreements herein contained, and upon the terms, subject to the conditions thereto, herein set forth.

(b) *The Closing Date.* Delivery of certificates for the Securities in definitive form to be purchased by the Initial Purchaser and payment therefor shall be made at the offices of Cahill Gordon & Reindel LLP, 80 Pine Street, New York, New York 10005 (or such other place as may be agreed to by the Company and the Initial Purchaser) at 9:00 a.m. New York City time, on August 20, 2009 or such other time and date as the Initial Purchaser shall designate by notice to the Company (the time and date of such closing are called the "Closing Date"). The Company hereby acknowledges that circumstances under which the Initial Purchaser may provide notice to postpone the Closing Date as originally scheduled include, but are in no way limited to, any determination by the Company or the Initial Purchaser to recirculate to investors copies of an amended or supplemented Offering Memorandum or a delay as contemplated by the provisions of Section 17 hereof.

(c) *Delivery of the Securities.* The Company shall deliver, or cause to be delivered, to the Initial Purchaser certificates for the Notes at the Closing Date against the irrevocable release of a wire transfer of immediately available funds for the amount of the purchase price therefor. The certificates for the Notes shall be in such denominations and registered in the name of Cede & Co., as nominee of the Depositary, pursuant to the DTC Agreement, and shall be made available for inspection on the business day preceding the Closing Date at a location in New York City, as the Initial Purchaser may designate. Time shall be of the essence, and delivery at the time and place specified in this Agreement is a further condition to the obligations of the Initial Purchaser.

(d) *Initial Purchaser as Qualified Institutional Buyers.* Banc of America Securities represents and warrants to, and agrees with, the Company that it is a "qualified institutional buyer" within the meaning of Rule 144A (a "Qualified Institutional Buyer").

Purchaser the Final Offering Memorandum, which shall consist of the Preliminary Offering Memorandum as modified only by the information contained in the Pricing Supplement. The Company will not amend or supplement the Preliminary Offering Memorandum or the Pricing Supplement. The Company will not amend or supplement the Final Offering Memorandum prior to the Closing Date unless the Initial Purchaser shall previously have been furnished a copy of the proposed amendment or supplement at least two business days prior to the proposed use, and shall not have objected to such amendment or supplement. Before making, preparing, using, authorizing, approving or distributing any Company Additional Written Communication, the Company will furnish to the Initial Purchaser a copy of such written communication for review and will not make, prepare, use, authorize, approve or distribute any such written communication to which the Initial Purchaser reasonably objects.

(b) Amendments and Supplements to the Final Offering Memorandum and Other Securities Act Matters. If, prior to the later of (x) the Closing Date and (y) the completion of the placement of the Securities by the Initial Purchaser with the Subsequent Purchasers, any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Final Offering Memorandum, as then amended or supplemented, in order to make the statements therein, in the light of the circumstances when the Final Offering Memorandum is delivered to a Subsequent Purchaser, not misleading, or if in the judgment of the Initial Purchaser or counsel for the Initial Purchaser it is otherwise necessary to amend or supplement the Final Offering Memorandum to comply with law, the Company agrees to promptly prepare (subject to Section 3 hereof), and furnish at its own expense to the Initial Purchaser, amendments or supplements to the Final Offering Memorandum so that the statements in the Final Offering Memorandum as so amended or supplemented will not, in the light of the circumstances at the Closing Date and at the time of sale of Securities, be misleading or so that the Final Offering Memorandum, as amended or supplemented, will comply with all applicable law. If at any time prior to the Closing Date, any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Pricing Disclosure Package as then amended or supplemented, in order to make the statements therein, in the light of the circumstances under which they are made, not misleading, or if in the reasonable judgment of the Representatives or counsel for the Initial Purchaser it is otherwise necessary to amend or supplement the Pricing Disclosure Package to comply with law, the Company agrees to promptly prepare (subject to Section 3 hereof) and furnish at its own expense to the Initial Purchaser, amendments or supplements to the Pricing Disclosure Package so that the statements in the Pricing Disclosure Package as so amended or supplemented will not, in the light of the circumstances under which they were made, be misleading or so that the Pricing Disclosure Package, as amended or supplemented, will comply with all applicable law.

Following the consummation of the Exchange Offer or the effectiveness of an applicable shelf registration statement and for so long as the Securities are outstanding if, in the judgment of the Initial Purchaser or any of its affiliates (as such term is defined in the Securities Act) are required to deliver a prospectus in connection with sales of, or market-making activities with respect to, the Securities, to periodically amend the applicable registration statement so that the information contained therein complies with the requirements of Section 10 of the Securities Act, to amend the applicable registration statement or supplement the related prospectus or the documents incorporated therein when necessary to reflect any material changes in the information provided therein so that the registration statement and the prospectus will not contain any untrue

statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances existing as of the date the prospectus is so delivered, not misleading and to provide the Initial Purchaser with copies of each amendment or supplement filed and such other documents as the Initial Purchaser may reasonably request.

None of the Company or any of the Guarantors shall be required to qualify as a foreign corporation or to take any action that would subject it to general service of process in any such jurisdiction where it is not presently qualified or where it would be subject to taxation as a foreign corporation. The Company will advise the Initial Purchaser promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Securities for offering, sale or trading in any jurisdiction or any initiation or threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, each of the Company and the Guarantors shall use its best efforts to obtain the withdrawal thereof at the earliest possible moment.

(i) *Future Reports to the Initial Purchaser.* At any time when the Company is not subject to Section 13 or 15 of the Exchange Act and any Securities or Exchange Securities remain outstanding, the Company will furnish to the Initial Purchaser: (i) as soon as practicable after the end of each fiscal year, copies of the Annual Report of the Company containing the balance sheet of the Company as of the close of such fiscal year and statements of income, stockholders’ equity and cash flows for the year then ended and the opinion thereon of the Company’s independent public or certified public accountants and (ii) as soon as available, copies of any report or communication of the Company mailed generally to holders of its capital stock or debt securities (including the holders of the Securities).

(j) *No Integration.* The Company agrees that it will not and will cause its Affiliates not to make any offer or sale of securities of the Company of any class if, as a result of the doctrine of “integration” referred to in Rule 502 under the Securities Act, such offer or sale would render invalid (for the purpose of (i) the sale of the Securities by the Company to the Initial Purchaser, (ii) the resale of the Securities by the Initial Purchaser to Subsequent Purchasers or (iii) the resale of the Securities by such Subsequent Purchasers to others the exemption from the registration requirements of the Securities Act provided by Section 4(2) thereof or by Rule 144A or by Regulation S thereunder or otherwise.

(k) *No Restricted Resales.* During the period of one year after the Closing Date, the Company will not, and will not permit any of its affiliates (as defined in Rule 144 under the Securities Act) to resell any of the Notes which constitute “restricted securities” under Rule 144 that have been reacquired by any of them.

(l) *No General Solicitation or Directed Selling Efforts.* None of the Company or any of its affiliates or any other person acting on its or their behalf (other than the Initial Purchaser, as to which no covenant is given) will (i) solicit offers for, or offer or sell, the Notes by means of any form of general solicitation or general advertising within the meaning of Rule 502(c) of Regulation D or in any manner involving a public offering within the meaning of Section 4(2) of the Securities Act or (ii) engage in any directed selling efforts within the meaning of Regulation S, and all such persons will comply with the offering restrictions requirement of Regulation S.

(m) *Legended Securities.* Each certificate for a Note will bear the legend contained in “Notice to Investors” in the Preliminary Offering Memorandum for the time period and upon the other terms stated in the Preliminary Offering Memorandum.

The Initial Purchaser may, in its sole discretion, waive in writing the performance by the Company or any Guarantor of any one or more of the foregoing covenants or extend the time for their performance.

SECTION 4. *Payment of Expenses.* Each of the Company and the Guarantors agrees to pay all costs, fees and expenses incurred in connection with the performance of its obligations hereunder and in connection with the transactions contemplated hereby, including, without limitation, (i) all expenses incident to the issuance and delivery of the Securities (including all printing and engraving costs), (ii) all necessary issue, transfer and other stamp taxes in connection with the issuance and sale of the Securities to the Initial Purchaser, (iii) all fees and expenses of the Company's and the Guarantors' counsel, independent public or certified public accountants and other advisors, (iv) all costs and expenses incurred in connection with the preparation, printing, shipping and distribution of the Pricing Disclosure Package and the Final Offering Memorandum (including financial statements and exhibits), and all amendments and supplements thereto, this Agreement, the Registration Rights Agreement, the Indenture, the DTC Agreement and the Notes and Guarantees, (v) all reasonable filing fees, attorneys' fees and expenses incurred by the Company, the Guarantors or the Initial Purchaser in connection with qualifying or registering (or obtaining exemptions from the qualification or registration of) all or any part of the Securities for offer and sale under the securities laws of the several states of the United States, the provinces of Canada or other jurisdictions designated by the Initial Purchaser (including, without limitation, the cost of preparing, printing and mailing preliminary and final blue sky or legal investment memoranda and any related supplements to the Pricing Disclosure Package or the Final Offering Memorandum), (vi) the fees and expenses of the Trustee, including the fees and disbursements of counsel for the Trustee in connection with the Indenture, the Securities and the Exchange Securities, (vii) any fees payable in connection with the rating of the Securities or the Exchange Securities with the ratings agencies, (viii) any filing fees incident to, and any reasonable fees and disbursements of counsel to the Initial Purchaser in connection with the review by FINRA, if any, of the terms of the sale of the Securities or the Exchange Securities, (ix) all fees and expenses (including reasonable fees and expenses of counsel) of the Company and the Guarantors in connection with approval of the Securities by the Depository for "book-entry" transfer, and the performance by the Company and the Guarantors of its their respective other obligations under this Agreement and (x) all expenses incident to the "road show" for the offering of the Securities, including the cost of any chartered airplane or other transportation. SECTION 6. Reimbursement of Initial Purchaser's Expenses. If this Agreement is terminated by the Initial Purchaser pursuant to Section 5 or 10 hereof, including if the sale to the Initial Purchaser of the Securities on the Closing Date is not consummated because of any refusal, inability or failure on the part of the Company to perform any agreement herein or to comply with any provision hereof, the Company agrees to reimburse the Initial Purchaser, upon demand, for all reasonable out-of-pocket expenses that shall have been incurred by the Initial Purchaser in connection with the proposed purchase and the offering and sale of the Securities, including, without limitation, reasonable fees and disbursements of counsel, printing expenses, travel expenses, postage, facsimile and telephone charges.

SECTION 7. Offer, Sale and Resale Procedures. The Initial Purchaser, on the one hand, and the Company and each of the Guarantors, on the other hand, hereby agree to observe the following procedures in connection with the offer and sale of the Securities:

(A) Offers and sales of the Securities will be made only by the Initial Purchaser or its Affiliates qualified to do so in the jurisdictions in which such offers or sales are made. SECTION 8. *Indemnification.*

(a) *Indemnification of the Initial Purchaser.* Each of the Company and the Guarantors, jointly and severally, agrees to indemnify and hold harmless the Initial Purchaser, its directors, officers and employees, and each person, if any, who controls the Initial Purchaser within the meaning of the Securities Act and the Exchange Act against any loss, claim, damage, liability or expense, as incurred, to which the Initial Purchaser and each such director, officer, employee or controlling person may become subject, under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Company or effected without the written consent of the Company in accordance with Section 8(d)), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based: upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Information or the Final Offering Memorandum (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and to reimburse the Initial Purchaser and each such director, officer, employee or controlling person for any and all expenses (including the fees and disbursements of counsel chosen by the Initial Purchaser) as such expenses are reasonably incurred by the Initial Purchaser or such director, officer, employee or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided, however, that the foregoing indemnity agreement shall not apply to any loss, claim, damage, liability or expense to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by the Initial Purchaser expressly for use in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Information or the Final Offering Memorandum (or any amendment or supplement thereto). The indemnity agreement set forth in this Section 8(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) *Indemnification of the Company and the Guarantors.* The Initial Purchaser agrees to indemnify and hold harmless the Company, each Guarantor, each of their respective directors and each person, if any, who controls the Company or any Guarantor within the meaning of the Securities Act or the Exchange Act, against any loss, claim, damage, liability or expense, as incurred, to which the Company, any Guarantor or any such director or controlling person may become subject, under the Securities Act, the Exchange Act, or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Initial Purchaser or effected without the written consent of the Company in accordance with Section 8(d)), insofar as such loss, claim,

damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Information or the Final Offering Memorandum (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Information or the Final Offering Memorandum (or any amendment or supplement thereto), in reliance upon and in conformity with written information furnished to the Company by the Initial Purchaser expressly for use therein; and to reimburse the Company, any Guarantor and each such director or controlling person for any and all expenses (including the fees and disbursements of counsel) as such expenses are reasonably incurred by the Company, any Guarantor or such director or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action. Each of the Company and the Guarantors hereby acknowledges that the only information that the Initial Purchaser has furnished to the Company expressly for use in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Information or the Final Offering Memorandum (or any amendment or supplement thereto) are the statements set forth in the third, sixth (second and third sentences) and ninth paragraphs under the caption "Plan of Distribution" in the Preliminary Offering Memorandum and the Final Offering Memorandum. The indemnity agreement set forth in this Section 8(b) shall be in addition to any liabilities that the Initial Purchaser may otherwise have.

(c) *Notifications and Other Indemnification Procedures.* Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof, but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party for contribution or otherwise than under the indemnity agreement contained in this Section 8 or to the extent it is not materially prejudiced as a proximate result of such failure. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of such indemnifying party's election so to assume the defense of such action and approval

by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the next preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (together with local counsel), approved by the indemnifying party (the Initial Purchaser in the case of Sections 8(b) and 9 hereof), representing the indemnified parties who are parties to such action) or (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party.

(d) *Settlements.* The indemnifying party under this Section 8 shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by this Section 8, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request or disputed in good faith the indemnified party's entitlement to such reimbursement prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement, compromise or consent (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and (ii) does not include any statements as to or any findings of fault, culpability or failure to act by or on behalf of any indemnified party.

SECTION 9. *Contribution.* If the indemnification provided for in Section 8 hereof is for any reason held to be unavailable to or otherwise insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount paid or payable by such indemnified party, as incurred, as a result of any losses, claims, damages, liabilities or expenses referred to therein (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors, on the one hand, and the Initial Purchaser, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Guarantors, on the one hand, and the Initial Purchaser, on the other hand, in connection with the statements or omissions or inaccuracies in the representations and warranties herein which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company and the

Guarantors, on the one hand, and the Initial Purchaser, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company, and the total discount received by the Initial Purchaser bear to the aggregate initial offering price of the Securities. The relative fault of the Company and the Guarantors, on the one hand, and the Initial Purchaser, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact or any such inaccurate or alleged inaccurate representation or warranty relates to information supplied by the Company and the Guarantors, on the one hand, or the Initial Purchaser, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or inaccuracy.

The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 8 hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 8 hereof with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 9; provided, however, that no additional notice shall be required with respect to any action for which notice has been given under Section 8 hereof for purposes of indemnification.

The Company, the Guarantors and the Initial Purchaser agree that it would not be just and equitable if contribution pursuant to this Section 9 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 9.

Notwithstanding the provisions of this Section 9, the Initial Purchaser shall not be required to contribute any amount in excess of the discount it received in connection with the Securities distributed by it. No person guilty of fraudulent misrepresentation (within the meaning of Section 11 of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 9, each director, officer and employee of the Initial Purchaser and each person, if any, who controls the Initial Purchaser within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Initial Purchaser, and each director of the Company or any Guarantor, and each person, if any, who controls the Company or any Guarantor with the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Company and the Guarantors.

SECTION 10. *Termination of this Agreement.* Prior to the Closing Date, this Agreement may be terminated by the Initial Purchaser by notice given to the Company if at any time: (i) trading or quotation in any of the Company's securities shall have been suspended or limited by the Commission or by the New York Stock Exchange (the "NYSE"), or trading in securities generally on either the Nasdaq Stock Market or the NYSE shall have been suspended or limited, or minimum or maximum prices shall have been generally established on any of such quotation system or stock exchange by the Commission or FINRA; (ii) a general banking moratorium shall

have been declared by any of federal, New York or Delaware authorities; (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any change in the United States or international financial markets, or any substantial change or development involving a prospective substantial change in United States' or international political, financial or economic conditions, as in the judgment of the Initial Purchaser is material and adverse and makes it impracticable or inadvisable to proceed with the offering sale or delivery of the Securities in the manner and on the terms described in the Pricing Disclosure Package or to enforce contracts for the sale of securities; (iv) in the judgment of the Initial Purchaser there shall have occurred any Material Adverse Change; or (v) the Company shall have sustained a loss by strike, fire, flood, earthquake, accident or other calamity of such character as in the judgment of the Initial Purchaser may interfere materially with the conduct of the business and operations of the Company regardless of whether or not such loss shall have been insured. Any termination pursuant to this Section 10 shall be without liability on the part of (i) the Company or any Guarantor to the Initial Purchaser, except that the Company and the Guarantors shall be obligated to reimburse the expenses of the Initial Purchaser pursuant to Sections 4 and 6 hereof, (ii) the Initial Purchaser to the Company or any Guarantor, or (iii) any party hereto to any other party except that the provisions of Sections 8 and 9 hereof shall at all times be effective and shall survive such termination.

SECTION 11. *Representations and Indemnities to Survive Delivery.* The respective indemnities, agreements, representations, warranties and other statements of the Company, the Guarantors, their respective officers and the Initial Purchaser set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of the Initial Purchaser, the Company, any Guarantor or any of their partners, officers or directors or any controlling person, as the case may be, and will survive delivery of and payment for the Securities sold hereunder and any termination of this Agreement.

The term "successors" shall not include any Subsequent Purchaser of other purchaser of the Securities as such from the Initial Purchaser merely by reason of such purchase.

SECTION 16. *No Advisory or Fiduciary Responsibility.* Each of the Company and the Guarantors acknowledges and agrees that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the offering price of the Securities and any related discounts and commissions, is an arm’s-length commercial transaction between the Company and the Guarantors, on the one hand, and the Initial Purchaser, on the other hand, and the Company and the Guarantors are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with each transaction contemplated hereby and the process leading to such transaction the Initial Purchaser is and has been acting solely as a principal and is not the agent or fiduciary of the Company, Guarantors or their respective affiliates, stockholders, creditors or employees or any other party; (iii) the Initial Purchaser has not assumed or will not assume an advisory or fiduciary responsibility in favor of the Company or the Guarantors with respect to any of the transactions contemplated hereby or the process leading thereto (irrespective of whether the Initial Purchaser has advised or is currently advising the Company or the Guarantors on other matters) or any other obligation to the Company and the Guarantors except the obligations expressly set forth in this Agreement; (iv) the Initial Purchaser and its affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the Guarantors and that the Initial Purchaser has no obligation to disclose any of such interests by virtue of any fiduciary or advisory relationship; and (v) the Initial Purchaser has not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company and the Guarantors have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate.

Redemption of Remaining Outstanding 8.50% Senior Notes due 2011**

Marietta, Georgia — August 13, 2009 — Graphic Packaging International, Inc. (“Graphic Packaging”), a wholly-owned subsidiary of Graphic Packaging Holding Company (NYSE:GPK), announced today that it has entered into an agreement to sell \$180 million aggregate principal amount of senior notes due 2017 (the “Senior Notes”) offered pursuant to Rule 144A and Regulation S under the Securities Act of 1933, as amended. The Senior Notes will bear interest at an annual rate of 9.5% and will be issued at a price equal to 103.0% of the principal amount thereof, which equates to an effective yield to maturity of approximately 8.95%. Graphic Packaging expects to close the offering on August 20, 2009, subject to the satisfaction of customary closing conditions.

The Senior Notes will be guaranteed by Graphic Packaging Holding Company and Graphic Packaging Corporation, as well as by certain of Graphic Packaging’s domestic subsidiaries who have guaranteed obligations under its senior credit facilities, existing notes and certain other indebtedness.

Graphic Packaging estimates that the gross proceeds from this offering will be approximately \$185.4 million. The proceeds from the offering will be used to redeem the remaining approximately \$180.0 million aggregate principal amount of Graphic Packaging’s 8.50% senior notes due 2011, to pay accrued interest on the 2011 notes and to pay fees and expenses incurred in connection with the offering and the redemption. The Senior Notes have not been registered under the Securities Act of 1933, as amended, or the securities laws of any state and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements under the Securities Act and any applicable state securities laws.

In connection with the redemption of the 2011 notes, Graphic Packaging has delivered notice to U.S. Bank National Association, the indenture trustee of the 2011 notes, of its election to redeem the remaining outstanding balance of the 2011 notes at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest to, but not including, the redemption date (the “Redemption Price”). Under the terms of the indenture, the notes are redeemable at par at the Company’s option beginning August 15, 2009. The notes will be redeemed in accordance with their terms and the Company expects the redemption to occur on or about September 13, 2009 (the “Redemption Date”). On the Redemption Date, the Redemption Price will become due and payable, and interest on the 2011 notes will cease to accrue. After the redemption described in this press release and the redemption previously announced on August 4, 2009, of approximately \$20.0 million aggregate principal amount of the 2011 notes, all of the Graphic Packaging’s 2011 notes will have been paid in full.

This press release does not constitute an offer to sell or the solicitation of an offer to buy the notes, nor shall it constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful.

This press release does not constitute a notice of redemption of any portion of the 2011 Notes. The redemption is being made solely pursuant to a notice of redemption dated August 13, 2009, which will be delivered to the holders of the notes by U.S. Bank National Association, as trustee.
